Summary — "Enthusiastic and detail-oriented B.Tech. student in Computer Science, with a strong foundation in data structures, machine learning, and software development. Seeking an internship opportunity in Data Science to apply analytical skills and technical knowledge in solving real-world problems while contributing to organizational growth."

Skills and Interests

- **Programming Languages:** C, Python, JAVA
- **Web Technology:** Html, CSS, JavaScript
- **Database:** MySQL
- **Tools Technologies:** VS Code, Eclipse, IntelliJ, Git, Github
- **Relevant Coursework:** Data Structures Algorithms, Operating Systems, Database Management System, Software Engineering, Computer Network, Object Oriented Programming
- **Areas of Interest:** Web Design and Development
- **Soft Skills:** Problem Solving, Self-learning, Presentation, Adaptability, Team Collaboration

Education

Pranveer Singh Institute of Technology Kanpur Bachelor of Technology 7.7CGPA	2022 – 2026
CBSE Board Intermediate Education 81.2%	2021 – 2022
CBSE Board High School Education 84.2%	2019 – 2020

Projects

College Event Management System — HTML, CSS, JavaScript, PHP, MySQL

- **Objective-** Create a web-based College Event Management System using HTML, CSS, JS, PHP, and MySQL to simplify event planning, registration, and scheduling while ensuring secure data management and automated notifications.
- **Features-** Event creation, venue booking, real-time updates, role-based access, admin dashboard, and automated notifications for seamless event coordination.

Cricket Score Calculator — HTML, CSS, JAVASCRIPT

- **Objective-** The Cricket Score Calculator aims to provide an easy-to-use platform for calculating and tracking cricket scores in real time, ensuring accuracy, efficiency, and seamless user experience.
- **Features-** Key features include real-time score updates, ball-by-ball tracking, run rate calculation, wicket count, team and player performance stats, an intuitive user interface, and a responsive design for smooth usage various devices.
